94%

Feel more able to decide/plan what to do next to achieve their career aims

I appreciate the emails to see how I am getting along and feel like I have someone to contact for advice.

I felt my needs and concerns were listened to and understood well.. I was given achievable/realistic goals to go away and work on. I was also able to sign up to a Customer Service course that I may not have come across on my own.

I now have a great CV and better information on where to search for jobs specific to me.
