

Dear Candidate,

Thank you for your interest in The Futures Group.

Futures Advice Skills and Employment Ltd, known as The Futures Group, is a specialist in providing careers guidance, skills and education. Our services are promoted through three specific brands: **Futures for You**, our work supporting vulnerable people and engaging individuals for work; **Futures for Business**, providing recruitment, redundancy support and new skills for new or existing employees; and **Futures Employment Solutions**, providing apprenticeship recruitment and employment services to businesses.

Futures exists to make a positive difference to people's lives. We are a local government owned social enterprise, enabling people to realise their full potential in employment, education and training through increased confidence, awareness and skills.

People are at the heart of everything we do, and we are determined to help the people we work with be the best they can be. We demonstrate this through our values below:

- Have a Passion
- Do the right thing
- Make a difference

If you are a driven, motivated and supportive person with a strong public service ethos and feel that you align with our values, then we would be keen to hear from you and welcome your application.
